

The subject of my message is: Permission to use your Per Ardua Astra video via link for our church website

My message is: Hello,

I am a member of All Saints Church Nettleham and as part of my service look after the website for the church.

Yesterday (19/10/25) we had a commemoration service for those lost in a Vulcan crash in Malta on 14/10/1975. This was attended by members of the RAF from RAF Waddington, members of the 9 Squadron Association and families and friends of those affected by the events of 50 years ago. As part of this service Per Ardua Astra was played (audio only) to the congregation.

I am putting together a page for our website. I should like to ask permission to put a link to your video on YouTube from the service to commemorate the closure of RAF Scampton.

Kind regards & blessings,  
Chris Malone.
